HISTORIC PROPERTIES of IDAHO PANHANDLE

Fort Sherman Chapel

On April 16, 1878, an order issued from the headquarters of the US Army, District of the Clearwater officially established a new fort at the present location of North Idaho College. Construction of the fort began that summer, and the first buildings completed were barracks for the men, quarters for the single officers and cottages for the married officers and their families. The Chapel was among the next buildings constructed in 1880, along with the commissary, quartermaster building, hospital, post hall and powder magazine, and the stables.

The Fort Sherman Chapel is Coeur d'Alene's oldest church, school, library, and meeting hall. Fort Sherman was closed in 1900, and the buildings and property were sold at public auction in 1905. Developers bought what is today known as the Sherman Park Addition, which included the Chapel. Over the years, many denominations used the Chapel for church services. Concerted effort began in 1934 to preserve the Chapel. In 1942, the Athletic Round Table held the Chapel in trust and began repairs of the structure. To ensure the preservation of Coeur d'Alene's oldest standing building, the ART donated the Chapel to the Museum of North Idaho in 1984.

Today, the Fort Sherman Chapel is used as a venue for various history programs and can also be rented for private events such as meetings and weddings.

Fishing Magician

Dave Graybill

Reach Dave @ www.FishingMagician.com or FishBoy@nwi.net "The Outdoor Insider"

Father's Day was this past weekend, and it reminded me of the wonderful days that I had spent fishing with my Dad. I was fortunate to have a father that took us camping, introduced us to fishing and other joys of being outdoors. His influence, whether he liked it or not, put me on a path of making a living by sharing my fishing experiences. My brother Rick was a fishing guide for many years. Rick and I made a tradition of taking Dad fishing on Father's Day over the years. Our adventures included many trips for walleye on Moses Lake, kokanee fishing on Lake Chelan, trout fishing on Rufus Woods and other destinations here in Central Washington. One of our most memorable trips was to Domke Lake. We took the Lady of the Lake to Lucerne and hiked into the lake. We had great time fishing for the cutthroat and that evening we prepared steaks and potatoes over the camp fire. Dad's idea of cooking the steaks by holding them over the fire with green willow "baskets" was a monumental failure that was told over and over at our family gatherings. Make some memories with your Dad and go fishing. My daughter came to visit me for Father's Day. This week's photo is of the two of us on Lake Chelan, fishing for kokanee a few years ago.

For something completely different, I traveled to Moses Lake to take a tour of the ORV Park. This park has over 3,000 acres and much of it is set aside for the use of those who enjoy off roading. Rich Archer, of the Sand Scorpions ORV Group, was glad to meet me at the entrance at the bottom end of Moses Lake to show me around. He unstrapped his two seater side by side, backed it off the trailer, and away we went. He first showed me where the park is at the edge of the top end of Potholes Reservoir, and that's where they can get muddy. After that we zoomed down the sandy trails and out into the rolling dunes. While I clutched my camera gear to my chest we flew over the rolling sand dunes. We would roar straight up until I could see nothing but sky and then down the face of the dune. Rich told me later that he was a former race car driver, and it showed. What a thrill. I can see how people on two wheels or four get addicted. Wait till you see the video of this adventure! It

will be posted soon, on the Dave Graybill YouTube channel.

There is a lot of interest in the Brewster Salmon Derby, and this year there are more than the usual questions about it. I want to remind anglers that the Brewster Pool is closed to fishing for Chinook this season, but open to fishing for sockeye. I posted the closed area earlier this month on my Facebook page and I am adding the legal fishing areas for the derby. Mike Mauk, who runs the derby, said that the area above Wells Dam is within the legal fishing area, as usual. To clarify, fishing for Chinook salmon opens here on July 16th every year. The fishing area also

includes the stretch of the Columbia River from Pelican Point to the bridge at Bridgeport, which has always been the case. Mike said that this is clearly stated in this year's derby rules. There have been questions in the past if fish caught at Chelan Falls could be turned in for the derby, and that has never been the case. The closure was prompted by an anticipated very low return of Chinook bound for the Colville Hatchery, which releases over three million smolt each year. They need all the brood stock they can get for the future.

Many folks begin their boating season right about now. They may be bringing their boat out of storage for the first time for their first on-the-water adventure with the family or friends. I am surprised at the number of boats I

see at the ramp that won't start. They either have a dead battery or bad gas. It's always a good idea to start the motor before you have a load of people on board for a day of fishing or recreational boating fun. I am also disappointed to see people parked on the ramp while they load their coolers, and other items. Please do this before you pull up and block the lane. Another thing to be aware of is what you need on board for safety. You need to have life jackets for everyone and if there are kids under twelve in the boat they need to be wearing the life jacket, and a throwable cushion. Every boat also needs to have a fire extinguisher, a sound signaling device, like a whistle or horn, and navigation lights that are visible from sunset to sunrise. A first aid kit is also a good idea. Google boating safety equipment for a complete list. Be safe and have fun!

By now the kids are out of school, and families are making their plans for the summer. Some have already made reservations at one of the many State Parks in the area or one of the great resorts on the shores of one of the lakes and reservoirs. Families will be looking for a place to spend a weekend or a week. One the most recreation rich areas in the state is Grant County. Grant County PUD has created a bunch of quality recreation areas along the Columbia River. I have videos of almost all of them on the Dave Graybill channel on YouTube. These are short and informative and if you are exploring they are worth a look. There are also several videos about the lakes in this county, including tours of the boating accesses on Banks Lake, Potholes Reservoir and Moses Lake. There are others that describe the fishing opportunities throughout Grant County and Moses Lake. Take the time to explore this area via video, and you will certainly find a place you will want visit. There are even some very informative videos on tackle and techniques to help make your fishing adventures successful. New videos are being added all the time.

See you on the water soon!

NW MOTORSPORTS REPORT

"Going fast is your job...telling people about it is ours..."

TRUEX, JR. CONFIRMS PLANS TO RETIRE FOLLOWING 2024 SEASON

From TC Daily Pit Stop

Martin Truex Jr. made the news official, the 2024 NASCAR Cup Series season will be his final as a full-time driver in the sport. The 43-year-old former NASCAR Cup Series champion made the announcement in an emotional press conference on Friday afternoon at Iowa Speedway.

Truex, a 34-time NASCAR Cup Series race-winning driver, has been full-time in the NASCAR Cup Series since the 2006 season.

He won the 2017 NASCAR Cup Series championship in an impressive eight-win season with the now-defunct Furniture Row Racing team and moved to Joe Gibbs Racing in 2019 after FRR shut down.

Truex says while he will no longer race full-time in NASCAR that he will remain an ambassador for the Joe Gibbs Racing team, and he didn't rule out running part-time for the team in the NASCAR Xfinity Series.

UP IN SMOKE!

Spokane's Frankie Volz Jr. made the long trek to Meridian Speedway near Boise only to have his supermodified entry blow a motor and fail to make the field for that track's Diamond Cup.

"This weekend we had a good racecar, fourth fastest Thursdays practice," Volz wrote in Facebook Messenger. "Unfortunately, we broke a motor and didn't get a chance to race."

Undaunted, he's putting "a new bullet (motor) in" and going to Shasta Speedway in Anderson California, July 27.

"Supermodifieds are back on the west coast," Volz said. "Super exciting, they're my favorite race cars," he added.

BLANEY DOMINATES INAUGURAL 'CUP SERIES RACE AT IOWA SPEEDWAY

From TC Daily Pit Stop

NEWTON, Iowa — Defending NASCAR Cup Series champion Ryan Blaney has returned to Victory Lane for the first time in nearly eight months, holding off William Byron to take home the trophy in the inaugural Iowa Corn 350 at Iowa Speedway.

The 30-year-old driver had an exceptionally strong car throughout the afternoon in Newton, Iowa on Sunday, leading a staggering 200 of 350 laps, putting together a new personal best of laps led during a sin-

gle NASCAR Cup Series event.

After leading much of the early portion of Sunday's 350-lap contest, Blaney returned to the lead with 88 laps to go, courtesy of a two-tire strategy call by crew chief Jonathan Hassler, which got him the track position necessary to hold the race lead.

William Byron and Chase Elliott finished second and third, after unsuccessfully mounting a late-race charge on eventual race-winner Ryan Blaney. Christopher Bell rebounded to fourth, with Ricky Stenhouse, Jr. rounding out the top-five.

NEW SURFACE A WALLA WALLA

When racers return to Walla Walla Drag Strip June 22-23 for the Napa Points Series races 7 and 8, they will have a new surface on which to race.

Workers spent time during the time when

Workers do track prep at the starting line.

the track was not running to scrape the entire 660-foot surface of the eighth-mile strip. Next job was putting down new rubber.

The track view from the tractor that helps put down new rubber.

KLEYN DOMINATES FOR SECOND CONSECUTIVE WIN

HERMISTON, Oregon — It couldn't have been much better for Quincey, Washington teen, Kasey Kleyn at the fourth race of the 2024 Northwest Super Late Model Racing Series in Hermiston, Oregon, June 15.

The 15-year-old current series points leader was top qualifier for the IBEW 112, was fastest in both practice sessions. He qualified on top but where it counted the most Kleyn led all 112 laps and ran the fastest lap of the race to claim his second consecutive series race.

Writing on his Kleyn Racing Facebook page, Kleyn "Has the Hermiston Raceway curse off his back. This has been a track he's struggled at for years and then came so close with podium finishes last year, but just couldn't get that win."

Kleyn earned a 2.7 second win over Zach Riehl and was nearly six seconds ahead of Ashton Cristiani as the checkered flag waved to conclude a race run in windy conditions. Ken Bonney and Christopher Kalsch rounded out the top-5 finishers -- all on the lead lap — in the 14-car field.

Kleyn heaped big praise on his crew chief

Trevor Cristiani who has been bringing him fast cars that are set-up and ready to go each weekend. This allows them to work on fine tuning the car and Kleyn to work on driving when they show up to the track.

"We can't thank Trevor enough, along with the rest of the crew, Brent Harris, Troy Furman, and Ray Keys, for all of their hard work and dedication to this team," Kleyn said.

Kleyn won May 18 at Stateline Speedway and now is the only NWSLM driver with multiple wins in 2024. He will shoot for three in a row on June 29 at the new Motorplex at the Mill in Emmett, Idaho near Boise.

Kasey Kleyn in the winner's circle for the IBEW 112, June 15 at Hermiston, Oregon.

WEEKLY Horoscopes for June 20 - June 26

ARIES – Mar 21/Apr 20
You can get your spark back with some help from friends, Aries. You may have been struggling in one form or another, but others can provide the perspective needed.

TAURUS – Apr 21/May 21
Taurus, you are a dependable rock and that comes with a lot of responsibility. Sometimes you may feel overwhelmed, and in those instances feel free to delegate some tasks.

GEMINI – May 22/Jun 21
Too much joking around may strike a nerve of someone close to you, Gemini. Feel out every situation before you start communicating in such a laid back and jovial way.

CANCER – Jun 22/Jul 22
Cancer, like it or not, you have to stand by a promise or a commitment you made to someone, even if you no longer feel like doing so. Once it is finished, you can go your separate ways.

LEO – Jul 23/Aug 23
Leo, if others have underestimated you or written you off in the past, you will have an opportunity to prove them wrong this week, even if you already know the truth.

VIRGO – Aug 24/Sept 22
Your keen eye for detail has you pointing out a mistake that may have cost someone a lot of money, Virgo. Your reward could be a promotion or another commendation.

LIBRA – Sept 23/Oct 23
Making room for your needs right now is challenging as others seem to require all of the attention, Libra. You will have a chance to balance the scales soon enough.

SCORPIO – Oct 24/Nov 22
Right now you may be reluctant to commit or comment on an issue that is affecting some in your circle, Scorpio. You can get involved once you dig further and do your own research.

SAGITTARIUS – Nov 23/Dec 21
Sagittarius, when you hang out with friends, you may be tempted to spend more than is in your budget at the moment. Set a limit, and perhaps leave your credit cards at home.

CAPRICORN – Dec 22/Jan 20
Capricorn, you are ready to move forward, but others in your orbit may be holding you back. Know when to cut loose and do things according to your bigger vision.

AQUARIUS – Jan 21/Feb 18
Thinking about all of the things in your life that may not be going to plan could have you feeling down, Aquarius. Flip the perspective and start focusing on the right things.

PISCES – Feb 19/Mar 20
Pisces, you are known for being a dreamer, but right now you have to come down from the clouds and develop a solid plan of action. There will be time for fanciful ideas later.

MANUFACTURED HOMES
