Reach Dave @ [www.FishingMagician.com](http://www.FishingMagician.com) or [FishBoy@nwi.net](mailto:FishBoy@nwi.net) "The Outdoor Insider"

The heat is on, and not just the fishing for Chinook and sockeye on the Columbia River, the temperature gauges are hitting over 100 degrees across the region. Boy am I glad I have a great cover on my new Smoker Craft, and a portable mister to add to the comfort on these blistering hot summer days.

I got an invite from my friend Brian Anantamula to go fishing on Lake Chelan. His son Josh and daughters Avary and Brinley were going to fish for kokanee and called to see if wanted to come along. I have fished with this family many times over the years. On my first trip with Josh, he was just turning six years old. Now, he has just graduated from high school and is heading off for his mission with his church. Time flies. We had limited in Brian's boat in the past, but it wasn't to be last Saturday. We looked all over the lower basin and just got a few. We kept moving to new spots as the cutthroat kept taking our baits. We drove all the way up to The Fences and picked up just one more. Josh hooked and landed the first lake trout (mackinaw) they had ever caught up here, and when we crossed over to the far shore, we really got into them. We landed four more lake trout that averaged 3 or 4 pounds and they were a handful on our light kokanee gear. In spite of the big crowds, we had a really fun day on Lake Chelan. This week's photo is of Brinley with a Chelan kokanee, and brother Josh in the background.

This is the time of year that James Lebow and I try Billy Clapp for kokanee. In past years we have had pretty good success, catching fish that average over 15 inches. We made a couple of laps in the areas of the lake that have produced for us on previous trips and didn't get a bite. We trolled our tried and true combinations of Kokabow blades and spinners until we gave up trying for kokanee. Maybe our luck will change later in the month. We'll see. We decided to switch to trolling for trout with our favorite plugs and

still couldn't buy a strike. I was desperate to catch something after making the trip to Billy Clapp, so I trolled our lures close to the face of the dam. I put on a large Bandit plug that I had used at Banks for walleye that James thought was ridiculous, but it caught walleye. Wouldn't you know it, that was the plug that got a smallmouth bass. We got another small bass on one of his plugs, and narrowly missed getting skunked! We talked to some other anglers, and no one caught any kokanee so far that day on Billy Clapp.

They are outnumbered by far by the return of sockeye that will number over 600,000 this year. It is an amazing site to watch these fish pour through the ladder. You can look a salmon right in the eye. I love to watch youngsters at the viewing windows. They are fascinated seeing these fish inches from their noses. If you can't travel to Rocky Reach, but want to watch the salmon, you can log onto Rocky Reach Dam Discovery Center, and watch the live feed. My brother Rick got the feed on a television screen at Hooked on Toys in

Wenatchee and it is drawing quite a crowd at the fishing counter.

There is more good news for salmon anglers in the region. The Washington Department of Fish and Wildlife has announced that the Entiat River will open to fishing for Chinook salmon on the Entiat River one week early and expands the upstream fishing boundary. Salmon fishing will be allowed from July 9 through Sept. 30, 2024. The area opened to fishing is the Entiat River from mouth (railroad bridge) to the Mad River Road Bridge crossing the Entiat River (near Ardenvoir). This adds more fishing area for anglers from previous years. The minimum size is 12 inches. Daily limit is six Chinook. Release all salmon other than Chinook. Night closure in effect. The preseason forecast for summer Chinook returning to the Entiat River is predicted to be in excess of hatchery brood stock needs. Opening early and expanding the fishing boundary is intended to increase the opportunity to harvest excess summer Chinook while providing for the protection and conservation of adult Endangered Species Act (ESA) listed spring Chinook on the spawning grounds.

If you are planning to get out on the water and take advantage of the terrific fishing for sockeye right now, be sure to have plenty of water on board. Don't risk heat stroke, it is no fun, believe me. Also, don't forget the sunscreen and sunglasses.

**CELEBRATING THE RICH TRADITION OF LOG HOMES**

Back during the pandemic, many homebuyers and homeowners spent time reimagining their living space. If you started dreaming about buying and building a log or timber home, you are not alone. More people live in these modern, rustic residences now than in any time in history. The warmth of wood, the solid construction and that powerful connection to nature, all add up to a feeling of safety and sanctuary that many of us crave in today's uncertain world.

There are several reasons why log homes are attractive for today's homebuyer:

- Modern log and timber homes can easily meet or exceed the performance of conventional construction.
- Log homes have a faster construction time and less labor costs when compared to conventional construction.
- Today's modern log and timber homes do not require any more maintenance than conventional homes.

Finding the right building professional to turn your dream of log and timber home living into a reality takes time and research. The Log and Timber Homes Council (LTHC) of the National Association of Home Builders (NAHB) is a great place to start. The council has adopted membership requirements that protect consumers during the buying and building process. All LTHC members follow specific standards and a uniform code of ethics, and each member stays abreast of new technology in log and timber home building with the end goal of ensuring customer satisfaction and a quality product.

**JULY IS NATIONAL LOG HOME MONTH!**

Log & Timber Home Council (LTHC) members celebrate log homes during National Log Homes Month in July, through online education sessions, virtual tours and in-person events. This is a great opportunity to see first-hand all of the benefits of log homes and if log home living is right for you.

Visit www.LogHomes.org to find all the answers you need to make your dream of log or timber homeownership a reality. When you're ready to build your dream log home, contact the Central Washington Home Builders Association, or read the Exchange each week to find a log home builder near you.

**THOMPSON RETURNS TO DEFEND MONTANA 200 CROWN**

RONAN, Montana — Surprise 2023 Montana 200 winner Shelby Thompson will return to defend his title, but not in the same car at the Mission Valley Super Oval, July 12-13

In 2024 Thompson will drive a car owned by local resident Travis Sharpe and likely much more familiar with than in his fairy tale victory.

In 2023 Thompson hopped in a car owned by Spokane's Todd Havens, took the lead from Agni Howell on lap 164 of the 200-lap and finished 1.77 seconds ahead of Howell and Alex Lessor who was 2.376 seconds back.

The kicker is Thompson had never been in the car before, one which is normally driven by Havens' son Jess, became available when the younger Haven broke his

foot earlier in the season.

Jess Havens is now healthy and will have his car back for race that will pay the winner \$10,000. The race is part of the 2024 Northwest Super Late Model Series where Kasey Kleyn is the points leader and has won three consecutive events.

Spokane's Shelby Thompson celebrates his 2023 Montana 200 victory. Mission Valley Photo

**TATE MAKES IT TWO IN A ROW**

MADISON, Indiana (July 7, 2024) — The Madison Regatta Indiana Governor's Cup final heat saw a repeat from last week in Guntersville as Andrew Tate piloting the U-91 Miss Goodman Real Estate for hometown team, Miss Madison Racing took home his second consecutive main event victory.

Tate had claimed two heat wins earlier in the afternoon to continue adding to his points total but was also able to showcase the strength of his H1 Unlimited hydroplane.

"This is a super-fast boat and I'm having a great time trying to put it out front," Tate, who won the H1 opener at Guntersville, Alabama the previous week, said.

Tate lined up in the third lane for the final with the two Strong Racing boats lined up in lanes one and two. When the hydroplanes took the green flag, the U-1 of J.

Michael Kelly and Tate in the U-91 battled side-by-side into the corners and fellow Strong Racing boat, the U-9 got out of the lane and lost position.

Tate quickly showed the strength of his hydroplane and amassed a significant lead over Kelly to take the win in front of a large and excited hometown crowd.

Next for the unlimited is the Tri-Cities Water Follies Apollo Columbia Cup, July 26 to 28, 2024.

Andrew Tate in the U-91 Miss Goodman Real Estate makes it a three-wide race July 7 at Madison, Ind. with the Beacon Plumbing and Beacon Electric boats. H1 unlimited media photo

## SEIVERS ADDS PERFECT REACTION LIGHT TO STRING OF ACCOMPLISHMENTS

SPOKANE — Jim Seivers has been drag racing seemingly forever and has a regal resume to show for it.

At age 71 he's got what he thinks might be 4,000 runs down the drag strip but it was just in the past couple of weeks that he accomplished a very notable first.

In a recent race at Woodburn, Oregon, Seivers had his one and only perfect starting line reaction time.

"Yeah, it is pretty rare, there's no doubt," Seivers said. "I've had a lot of .001, red lights, .001 green lights, but I can't remember having a 000, so yeah, it's pretty rare."

Seivers class involves cars that run a variety of times and that are equalized by having their elapsed times plugged into the starting line timing.

Seivers runs consistent 6.90 seconds in the quarter mile at just under 200 miles-per-hour. But he can compete against those who run more quickly — or slowly.

That's where a quick reaction time comes into play.

Racing in the Pro Nostalgia class as the defending champion, Seivers' perfect reaction did not translate to success in later rounds.

"I had trouble in the next round, which was the semi-finals, and the car came down off a giant wheel stand," Seivers explained. "I lost because my foot came off the throttle."

The mess up could cost Seivers repeating as the class champ, he said.

"There's 20 cars that are six and seven second cars, all front engine cars, all nostalgic," Seivers said.

Seivers trailers almost exclusively to Woodburn to race in the class. He also has an upcoming race in Mission, British Columbia near Vancouver and hopes to race in Spokane next season.

It's Spokane where Seivers racing roots have been planted since Spokane Raceway Park — now Qlispe Raceway — opened in 1974. But he goes back a bit further.

"I actually drove a car down the Deer Park drag strip when I was 16," Seivers said.

Seivers has many fond memories of decades spent drag racing.

He has a string of championships from the old American Hot Rod Association that once visited Spokane a half century ago.

"I was the AHRA World Champion five times in top comp, and I won the Super Pro points thing a couple times," Seivers recalled. "That was all pretty cool to be really honest."

Seivers also fondly remembers some individual matchups against memorable opponents.

"I might be one of the only guys still racing that ever race Joe Blaylock or Greg Fury," Seivers said.

Jim Seivers in action at Bakersfield, Calif.

## BERKELEY REPEATS IN IMCA WILD WEST SERIES

COLVILLE — Chase Berkeley was a recent repeat winner in the International Motor Contest Association (IMCA) "Wild West Speedweek."

The Colville driver won five out of seven races in the series' Northwest swing into Oregon.

Berkeley won at Coos Bay Speedway in Coos Bay (June 17) at Douglas County Dirt Track in Roseburg (June 18) as well as June 20 Cottage Grove Speedway in Cottage Grove. He also scored victories on June 21 at Willamette Speedway, a \$2,500 to win race and finally in Lebanon on June 22 at Sunset Speedway Park in Banks.

Berkeley won the overall points Championship for IMCA Wild West Speedweek too. This is his 3rd year in a row winning the points championship in this series.

Berkeley is also the most winning stock car driver in this series with 11 wins over the last 3 years.

The win qualifies Berkeley for the All-Star Invitational in September at Boone Supernationals in Iowa.

Colville's Chase Berkeley at one of his race wins in Roseburg, Oregon on June 18.
