August GARDENING TIPS

Master Gardeners of Spokane County

PLANT COOL CROP VEGGIES

You can get a fall crop of many vegetables by planting by mid month a new crop of spinach, peas, lettuce and other leafy greens.

MAINTAIN PERENNIALS

To keep your perennials blooming for as long as possible many will respond with a second bloom if you deadhead the spent blooms.

WATERING & FERTILIZING

Keep watering as the ground is getting very dry. By mid month, stop fertilizing roses and woody shrubs so that they have time to harden off before the cold weather.

HARVEST FRUITS & VEGGIES

Before you know it, you will have apples, peaches, plums, tomatoes, zucchini, beans, cabbage, peppers and more! Be sure to harvest your fruits and veggies to maintain proper plant health.

Fishing Magician

Dave Johnson

Reach Dave @ www.FishingMagician.com or FishBoy@nwi.net "The Outdoor Insider"

I had another great week of sockeye fishing on Lake Wenatchee. People are loving this record-breaking season. The wind even laid down for a couple of days, making the fishing even more fun. Still, I have only missed a couple of days of sockeye fishing this year due to high wind. There were a couple of days when I wondered what the heck I was doing going out there but managed to either limit or get near limits on those days.

Last Sunday I traveled to Brewster to see how the Brewster King Salmon Derby turned out. Mike Mauk, derby organizer was busy, but took the time to visit with me while anglers turned in their catches. Participation was lower this year, because of the closure of the Brewster Pool to fishing for Chinook. Still, all those who did chase kings turned in some great fish and the reader board was full. The first angler I saw at the derby headquarters to turn in their catch was four-year-old Beau Benson. She was hugging a salmon that weighed 11.86 pounds. It turned out that the 8 & Under category on the leader board featured three Bensons! The coveted King of the Pool award went to Gage Howe, with a 20.63 pound Chinook. At the top of the Adult category leaderboard was Pat Coffee, who landed a 19.66 pound king. This was the second year in a row that he topped this category. Everyone that took part in this year's derby was extremely glad they did and are looking forward to next year's event. This week's photo is of Beau hugging her catch, which took second place in the 8 and under category.

Last Thursday was only the second calm day on Lake Wenatchee this season. What a pleasure, just running on my bow mount electric. Last year I got Travis Maitland, District Biologist for Region 2 out fishing, and we had a great day. On Thursday Travis came fishing with me again, and this year we were joined by Chad Jackson, Fish Program Manager for Region 2. I have known both of these guys for years, long before I served on the WDFW Commission. They have been very helpful, keeping me up to date on area fisheries. Both of them are avid anglers, and it was a

real pleasure having them on the boat. They knew how to run the riggers, set the other rods and net the fish. It was a nice break. I usually am doing all of these things while driving the boat. We got off to a good start and had four fish in the cooler fairly quickly. The action slowed after the first hour or so, but we just kept plugging away and picked up a fish every now and then. We covered quite a bit of water and got our 12 fish. A terrific day on the water!

Valley Tractor in East Wenatchee got into the boating business back in the late 90s. Buell Hawkins met with

and some great memories.

I want to remind everyone that there is a special event planned for the Blackbird Island Juvenile fishing pond. My neighbor, Calder Fiske, is my number one fan, and probably the most enthusiastic angler I know. Although just 12 years old, Calder has come up with a plan to help get kids out to experience the fun of fishing. He has planned a Just for Kids Fishing Fun Day Derby at Blackbird Island Pond in Leavenworth on Saturday, August 17th. Blackbird Island Pond is open to Juveniles only and only kids under the age of 15 can fish here. Calder has medals to award anglers who turn in their biggest fish in several age categories, age four up to age 14. He also has a medal to give the angler that clearly had no help from their parent. Kids need to bring their own fishing gear. Families can register their kids when they arrive at the pond. The event starts at 7 a.m. and you can turn in fish until noon. If you have any questions or would like to volunteer to help at the event, you can contact Calder at Calder.fiske@icloud.com.

One of my favorite things to do on hot summer days here in Leavenworth is fishing Icicle Creek. When it's 90 degrees in town, I grab a light weight fly rod and drive up the valley to cast to the small rainbow that are abundant in this stream. Splashing around in the cooling water I think of nothing other than where to place my next cast. The trout are small, but I find big relief from the heat or anything else that occupies my mind during the day. The Icicle is right in my back yard, but there are some other streams that offer the same solitude and have bigger trout to chase. The Kettle River, not far from Curlew Lake, is high on my list. My wife and I have spent several days on this small river. It is loaded with rainbow and brown trout and a few cutthroat. On one occasion, we watched a big rainbow, and I mean 3 or 4 pounds, grey hound upstream after breaking me off. We were stunned at the sight of this fish. That's what keeps me going back to the Kettle. I want another chance at a trout like that one—that got away.

NOXIOUS WEEDS

What is a Noxious Weed? They are non-native plants that have been introduced to Spokane County through human actions. Because of their aggressive growth and lack of natural enemies, these species can be destructive, competitive, and difficult to control.

PUNCTUREVINE
 (TIRBULUS TERRESTRIS)

A toxic annual that can reach up to 6ft long. Leaves are typically 1-3in long, hairy and divided into leaflets. It produces numerous branched stems to produce a dense mat. Small, solitary, yellow flowers with 5 petals that appear on short stalks from midsummer to frost. Woody taproot; spreads by seed. Fruit develops into a woody burr that has sharp, rigid spines that injure people and livestock. Pull or dig before plants flower.

GREG BIFFLE RETURNS TO TRI-CITY RACEWAY

Former track champion to run ARCA West race, Aug. 10

Former NASCAR Cup veteran Greg Biffle. Greg Biffle photos

Las Vegas, Nevada — Sigma Performance Services (SPS) is thrilled to announce that renowned NASCAR driver Greg Biffle will be returning to his racing roots by competing in the ARCA Napa Auto Care 150 at Tri-City Raceway. Biffle will be driving the #23 Chevrolet for SPS in this highly anticipated race, set to take place on Saturday, August 10, 2024.

This will be the first appearance of the series at Tri-City Raceway since 2003 and the 10th race in series history.

In a homecoming that pays tribute to his Pacific Northwest origins and devoted hometown fans, Greg Biffle will tackle the unique ½-mile tri-oval challenge of Tri-City Raceway.

Born in Portland and growing up in Vancouver, Washington, Biffle began his illustrious racing career on the bullrings of the Pacific Northwest, making him no stranger to Tri-City Raceway or any of the short-track speedways on the West Coast.

Biffle, who earned a spot on NASCAR's 75 Greatest Drivers list, is no newcomer to the ARCA Menards West Series. His impressive career includes competition in the former NASCAR Winston West Series in the early 1990s, a stepping-stone in his ascent to the NASCAR Cup Series ranks. Biffle has also achieved significant success as a champion of both the Craftsman Truck Series and the Xfinity Series, showcasing his versatility and talent across different NASCAR divisions.

In collaboration with GMS Fabrication,

Chevrolet, and the ARCA Menards Series management group, Greg Biffle is set to return to the track with renewed vigor. His participation in the Napa Auto Care 150 marks a significant moment for both Biffle and SPS as they navigate the challenging turns of Tri-City Raceway.

"I'm so excited to return to the famous Tri-City Raceway" Biffle said. "I'm looking forward to returning to the track in an ARCA West car almost 30 years after I won the track championship."

SPS team owner Joe Farré expressed his excitement, stating, "We couldn't be more proud to be a part of Greg's return to his racing roots in the Pacific Northwest. As a West Coast racer myself, I cannot thank the local supporters, track owners, series sponsor, and series officials enough for the opportunity to return to iconic race tracks like Tri-City Raceway."

"Greg's commitment to this race, the racing community, and growing teams like ours just goes to show how important it is that we all work together to keep racing alive in the Pacific Northwest, and across this great country," Farré added.

The ARCA Menards Napa Auto Care 150 promises to be a thrilling event, showcasing top-tier talent and electrifying racing action. Fans can catch the excitement via live

KELLY REBOUNDS FROM TRI-CITIES CRASH FOR SEAFAIR VICTORY

Seattle (Aug. 4) — Eight days removed from flying through the air in Tri Cities at the Columbia Cup and crashing in a preliminary heat, J. Michael Kelly piloted the U-1 Beacon Electric to victory in the Apollo Mechanical Cup on Lake Washington.

Kelly posted an average speed of 141.358 mph to easily outdistance Jamie Nilsen in the U-11 Miss Mercury's Coffee at 131.051 mph on the 2.5-mile course in the milestone 75th edition of the race.

"This was a much-needed win and just an amazing feeling right now," Kelly said.

Following a crash-plagued Columbia Cup in which three of the eight-boat field were sidelined, all boats returned to Seattle. Each driver involved in the Tri Cities incidents were treated and released from onsite medical care facilities.

The Strong Racing duo of Kelly and Corey Peabody in the U-9 Beacon Plumbing put on an impressive side-by-side battle in the final lap of the final heat.

However, it was determined by review Peabody encroached on the U-91 Miss

Goodman Real Estate hydroplane of Andrew Tate and ultimately was assessed a one-minute penalty dropping him to seventh in the final.

"This is just amazing and it just shows you the team that we have and the team that backs me and Corey (Peabody)," Kelly said. "I created a lot of work in Tri-Cities this past week and we spent a lot of hours fixing my boat so to be able to come back from that and chip away and find speed and to win Seattle again is just amazing."

The H1 Unlimited hydroplanes will be back in action in San Diego, California for Bayfair and the APBA Gold Cup September 13 to 15 for 2024's final race.
