Many anglers are shifting their focus to fall salmon fishing. Fall Chinook are moving up the Columbia to the Hanford Reach, and anglers have been intercepting them below Priest Rapids Dam and Wanapum Dam. There are many other great fishing opportunities on the lakes and reservoirs in the region.

My friend Brian Nielson was willing to spend part of a day's fishing for walleye on Potholes Reservoir to help me shoot a video on "Where to Fish for Walleye on Potholes", and we set up a trip for Thursday. I picked up Ron Buner, a fishing friend of Brian's on the way down, and we met Brian at his place early that morning. We launched at Mar Don Resort and found the water level at Potholes about as low as I had ever seen it. The folks at Mar Don have marked a "safe area" to back your boat in with PCV pipe so it is no problem here, but you will need to take extra special care when using the other launches on the reservoir. We bounced all over the place, stopping long enough to explain where we were and why this area was a good one to look for walleye. We then spent some time trolling bottom bouncers and spinners at a couple of places. Walleye fishing was slow, but we caught a couple, and we landed a total of six different species of fish. Even if the walleye aren't biting you can have a lot of fun on Potholes. This week's photo is of one of the crappie we landed on Potholes.

The most popular fishery in Central Washington is in the Hanford Reach for fall Chinook. Every year the number of anglers that fish the stretch of the Columbia River at Vernita is so great that the launch site takes on the look of a small town. Before daybreak there is a long line of trucks and trailers lined up to put boats in the water to fish the many known areas of the river that produce catches of fall Chinook. That's why I will dedicate the Fall issue of my free E-Letter to fishing for fall salmon. In the E-Letter subscribers will find detailed descriptions of the best places to fish, the tackle that is being used by successful anglers and the techniques

they use. There will be maps, videos and photos that give anyone who plans to fish the Hanford Reach the best chance for success. In addition to the very detailed feature on fishing the Columbia River for fall salmon, I will also list several of the other opportunities for fall fishing for other species. If you aren't currently receiving the free E-Letter, just go to my website and click on the E-Letter logo on the Home Page.

When Christine Lee's mother Brenda comes down from Alberta to visit, the first thing she does is put her to work at Bob Feil Boats and Motors. This is with the promise of a fishing trip with me. Last year we had a great day

with these two on the boat.

Not long ago Tom Verschuren took his niece with him to show her the fun of fly fishing on the upper Icicle. He caught a few small rainbow and let her give fly casting a try. He wanted to get back up there, so we went around midday on Tuesday. The catching was disappointing, but it was a perfect day to be out splashing around in this scenic stream. For those who would like to give this a try, here's a couple of my favorite places to cast for the small trout on the Icicle. About 12 miles up Icicle River Road, you will see a bridge over the stream, and there is a pull out. I park there and either wade upstream from the bridge or downstream. I should mention that the wading in this area is difficult. It is classic pocket water and long casts aren't necessary to get a bunch of fish. Another favorite of mine is above the bridge at the last campground. Just past the bridge there is a short dirt road. I park there and walk the trail up a ways before I get into the water. There is a very nice stretch of water here and it is loaded with small rainbow.

My wife and I have a hard time remembering our wedding anniversary. It's no big deal, we laugh about it. Once again it got by us, and we have tried for a couple of weeks to celebrate it. A couple of years ago I took her to Stehekin in the boat. It

was her first time to the small town at the top end of Lake Chelan, and she loved it so much that this is what we do every year. We were surprised to see calm water when we looked at the lake as we could see it from the top of Navarre Coulee. We drove on up the lake, seeing just a light breeze, until we got right to 25 Mile Creek. The wind was howling here. The lake takes a bend to the northwest here and it was nothing but whitecaps as far as we could see. So we drove down to Chelan and launched below the bridge at the High School and took the boat up to Rocky Point. I put out a couple of rods, but didn't pay much attention to them. We just enjoyed the good weather and conversation. It was a very nice day on the water to celebrate 23 years together!

on Lake Wenatchee, catching sockeye. They remembered that when we needed two more fish, we hooked a triple. Earlier this year I took them kokanee fishing on Lake Chelan, and we were catching fish until the wind blew us off the lake. For this visit I suggested that we go up to Fish Lake and catch a bunch of perch. Christine said it didn't matter, they just wanted to catch some fish—and we did. Brenda grew up fishing and she passed her passion for fishing, of any kind, onto her daughter. The perch did steal their share of worms, but we put a good number of them in the livewell. They had almost as much fun watching the ospreys swoop down and grab fish off the top of the water. It turned cold and windy, but they didn't complain. I really have a great time

WEEKLY Horoscopes

for Sept. 19- Sept. 25

- ARIES – Mar 21/Apr 20**
A disagreement may have you questioning a relationship this week, Aries. Do not get ahead of yourself, as you'll figure out that the turmoil will subside soon enough.
- TAURUS – Apr 21/May 21**
Group activities or time spent with a significant other may not go as well as usual this week, Taurus. With your mind elsewhere, it's hard to focus on having fun and others will catch on.
- GEMINI – May 22/June 21**
Do not believe everything you hear this week, Gemini. There are a lot of rumors floating around, and only a portion of what is being said is accurate. Get the facts first.
- CANCER – June 22/July 22**
Cancer, you are usually outgoing and easy-going, but this week you may be feeling more reserved and shy. Are you missing someone? If so, get in touch and you'll feel more like yourself.
- LEO – July 23/Aug 23**
Friends or family members may be making more demands on your time, Leo. You want to go along with it, but be careful not to stretch yourself too thin.
- VIRGO – Aug 24/Sept 22**
Virgo, someone close to you might be feeling under the weather and could use a little extra support right now. Perhaps you can make soup or drop in for a visit to cheer this person up?
- LIBRA – Sept 23/Oct 23**
Seek out quiet spots right now, Libra, as lately your life has been a bit of a whirlwind. Change is good, but so much change at one time can be exhausting.
- SCORPIO – Oct 24/Nov 22**
Scorpio, take a step back from all of your responsibilities. Things will not go haywire if you take a break for a few days or even a week. You can commit fully again after some rest.
- SAGITTARIUS – Nov 23/Dec 21**
There's no point getting into an argument over a situation beyond your control, Sagittarius. Instead, wait until the time is right to express your thoughts and work out a solution.
- CAPRICORN – Dec 22/Jan 20**
Capricorn, even though you may want to expand your friend network right now, you aren't sure how to begin. Social media can connect you with those nearby.
- AQUARIUS – Jan 21/Feb 18**
It is a good idea for you to have set deadlines for your goals, Aquarius; otherwise, you may keep putting things off. With dates on paper, you can check things as they get done.
- PISCES – Feb 19/Mar 20**
Pisces, you want to return to a relationship right where you left off, but the other person may not be on the same page right now. Give it a little more time.

HISTORIC PROPERTIES of IDAHO PANHANDLE

Fort Sherman Chapel

On April 16, 1878, an order issued from the headquarters of the US Army, District of the Clearwater officially established a new fort at the present location of North Idaho College. Construction of the fort began that summer, and the first buildings completed were barracks for the men, quarters for the single officers and cottages for the married officers and their families. The Chapel was among the next buildings constructed in 1880, along with the commissary, quartermaster building, hospital, post hall and powder magazine, and the stables.

The Fort Sherman Chapel is Coeur d'Alene's oldest church, school, library, and meeting hall. Fort Sherman was closed in 1900, and the buildings and property were sold at public auction in 1905. Developers bought what is today known as the Sherman Park Addition, which included the Chapel. Over the years, many denominations used the Chapel for church services. Concerted effort began in 1934 to preserve the Chapel. In 1942, the Athletic Round Table held the Chapel in trust and began repairs of the structure. To ensure the preservation of Coeur d'Alene's oldest standing building, the ART donated the Chapel to the Museum of North Idaho in 1984.

Today, the Fort Sherman Chapel is used as a venue for various history programs and can also be rented for private events such as meetings and weddings.

OWEN RIDDLE NABS SECOND 'NEAL NEWBERRY' VICTORY

By Kevin Peters, NWSLM Media

East Wenatchee, Wash (Sept. 14) - Owen Riddle exhibited patience through the first two-thirds of the "Neal Newberry 125", from the Wenatchee Valley Super-Oval (WA) Saturday night.

But the former race winner was there to take advantage of the misfortune of Evan Goetz, grabbing the lead on lap 88, when the race-long leader experienced a flat tire just before the Competition Caution was set to fly on lap 90. Riddle grabbed the top spot and held on to score his fourth career Northwest Super Late Model Series presented by RaceCals victory and \$5,000 in the next-to-last event of the series 2024 schedule.

Riddle scored a one second win over "Leonard Evans Memorial 150" winner Jan Evans. Former Findlay Stadium State-line Speedway Pro Late Model champion Jason O'Neil was third with former Rocky Mountain Challenge Series champion John Newhouse fourth. 2024 Stateline Speedway Pro Late Model champion Evan Goetz drove from the back to finish fifth. Kasey Kleyn, Josh Roberts, Terry Halverson, Dave Garber, and Michael Knutson rounded out the top 10.

Riddle was making only his second start behind the wheel of his new P1 Super Late Model out of the shops of Preston Peltier Racing. It was his first series start since the "Fall Classic" in 2022, and first series victory since 2017 at the Spokane Super Oval. Riddle was thankful for the opportunity to return this weekend with a car that had winning capabilities.

"Preston Peltier gave me a great racecar tonight", Riddle exclaimed from Victory Lane. "I've got to thank him first of all for taking a chance and going out on their new adventure he has going on. I gotta thank my parents first of all, I couldn't do it without them. I gotta thank Dan Riddle Excavating, Peltier Racing, JSI, Dukes Equipment, Peters Freight Train Racing Engines, Fresh Message Design, Alpine Parts and Equipment, and just everybody that helps with the program."

Evan Goetz looked to have the car to beat, after setting the AFco Racing / Longacre Racing Products Fast Time on the 1/4-mile oval. His lap of 12.693 seconds led Jason O'Neil, Kasey Kleyn, Riddle, Bob Presley, John Newhouse, Jan Evans, and Ken Bonney. Newhouse drew the pole position with Goetz alongside. Riddle and Kleyn made up the second row as the green flag flew.

Goetz battled to the front in the outside groove, clearing Newhouse on lap three. Kleyn followed in the outside line grabbing the runner-up position on lap four. The first caution of the night flew on lap 10, as Christopher Kalsch spun in Turn 1, after a little help. Goetz led Kleyn, Newhouse, Riddle and Presley. The restart saw Riddle up to third. Three laps later he got under Kleyn for the runner-up position and took up chase of Goetz. The Competition Caution flew on lap 50, setting up a battle for the top spot, with Jan Evans now up to fourth.

The restart found Goetz back in the lead, with Riddle in close pursuit. Evans was able to battle around Kleyn for third with Jason O'Neil following on lap 53 to grab fourth. Another long green flag run saw Newhouse grab fifth from Kleyn on lap 83. But as the field closed on the second Competition Caution on lap 90, Goetz hopes for a win went up in sparks with a flat tire on lap 88.

Riddle took advantage of Goetz tough luck, grabbing the lead for what turned out to be the final restart. He pulled just ahead of Jan Evans heading into Turn 1, but Evans closed to the back bumper in Turn 3, giving Riddle a shot to the back. But Riddle held onto his Super Late Model and slowly inched away from Evans. On lap 112, Newhouse was able to get under a fading Kleyn for fourth and a charging Goetz grabbed the last position in the top five on lap 119.

But no one had anything for Riddle, as he crossed the line first for his second "Neal Newberry Memorial 125" victory and a paycheck worth \$5,000. Riddle recalled his efforts to run with Goetz though the middle stages of the event, and his ability to take advantage of the 2024 Kulwicki Driver Development Program finalists' misfortune.

"We were just trying to be patient there and wait for the opportunity", Riddle recalled in Victory Lane. "I felt like we rolled a little bit better after the apex than he did. We were just trying to wait for the right opportunity."

In the chase for the 2024 championship, Kleyn added to his lead over Ken Bonney by another 10 points (397 to 351) with one race remaining as Bonney finished 13th.

The next event for the Northwest Super Late Model Series will be the prestigious "Fall Classic 200" at Tri-City Raceway RMEC, with \$10,000 on the line for the winner on October 6th. It will conclude the 11th season for the series based out of Spokane.

Results: 1. Owen Riddle, 2. Jan Evans, 3. Jason O'Neil, 4. John Newhouse, 5. Evan Goetz, 6. Kasey Kleyn, 7. Josh Roberts, 8. Terry Halverson, 9. Dave Garber, 10. Michael Knutson, 11. Andy Beaman, 12. Bob Presley, 13. Ken Bonney, 14. Ryan Phipps, 15. Kyle Cottam, 16. Christopher Kalsch, 17. JJ Mullins

Owen Riddle from Naches, Wash. drove his Preston Peltier Racing entry to victory Sept.14 at the Wenatchee Super Oval in the "Neal Newberry 125." It was Riddle's first series start since the Fall Classic in 2022, and first series victory since 2017 at the Spokane Super Oval. NWSLM photos by Shari Garber

The Beacon Plumbing crew and the coveted Gold Cup. H1 photo

PEABODY WINS GOLD CUP, TATE TAKES HYDRO POINTS TITLE

San Diego (Sept. 15) — The final heat of Gold Cup Sunday, the Mercurys Coffee Co presents the APBA Gold Cup at San Diego's Bayfair, certainly didn't disappoint any of the fans that lined Mission Bay on a perfect afternoon. Six of the fastest race boats in the world lined up for a five-lap feature to determine who would hoist the 2024 APBA Gold Cup.

The U-9 Beacon Plumbing hydroplane for Strong Racing driven by Corey Peabody jumped out to an early lead and while he had his teammate, the U-1 Beacon Electric of J. Michael Kelly within a rooster tail of him for much of the race, Peabody held him off to claim his second career Gold Cup.

"It's never not a big deal, that's the Gold Cup over there," Peabody said. "People go their whole career's without winning one and that's my second one."

And on the final day of the 2024 H1 Unlimited season, the U-91 Miss Goodman Real Estate hydroplane for Miss Madison Racing driven by Andrew Tate entered the day with two goals in mind and before the three heat races were completed, he had accomplished one by claiming the 2024 H1 Unlimited National High Points Championship.

"Congratulate the city of Madison (Indiana) for sure," Tate said. "A lot of love and support back there in the Midwest for sure. I'm happy to be a part of it and this is something special that we have here."

Final 2024 H1 Unlimited Top-Five National High Points:

| Driver: | Boat: | Points: |
|------------------|-------------------------------|---------|
| Andrew Tate | U-91 Miss Goodman Real Estate | 7,419 |
| Corey Peabody | U-9 Beacon Plumbing | 6,050 |
| Dustin Echols | U-40 Flav-R-PAC | 5,151 |
| J. Michael Kelly | U-1 Beacon Electric | 5,080 |
| Jamie Nilsen | U-11 Miss Mercury's Coffee | 4,377 |

"Cheers to Great Conversations & Connections!"

Successful Young Professionals Networking Event on CDA Lake Cruise with SHBA Next

SHBA Next was thrilled to host a magnificent Young Professionals networking event on a CDA Lake Cruise last weekend. The event brought together a diverse group of young professionals, creating an excellent platform for them to build connections, exchange ideas, and enhance their personal and professional growth.

Despite some questionable weather, guests were greeted with stunning lakeside views and a warm welcome from our event staff.

SHBA next would like to extend its gratitude to all attendees, volunteers and sponsors who made this event a success. We are committed to creating more opportunities for young professionals to grow, learn and connect, and we look forward to hosting similar events in the future. Stay tuned for updates!

Thank you again to our Sponsors, who made this event possible!
