WEEKLY Horoscopes for Oct. 3 - Oct. 9

- ARIES – Mar 21/Apr 20**
Even though you told yourself you'll just suck it up and get through the week, you're having a change of heart, Aries. Some modifications are necessary to navigate the waters.
- TAURUS – Apr 21/May 21**
Taurus, all bets are off this week, especially if you've been smoothing over your emotions to get along with someone close by. All true feelings are bound to come to the surface.
- GEMINI – May 22/Jun 21**
This week you may not be feeling like yourself, Gemini. Low energy have you feeling out of sorts. Spend some time with a close friend to get things back on track.
- CANCER – Jun 22/Jul 22**
Cancer, your friends always have your back, but this week there is a disruption in your crew. Someone isn't playing nice, but a few words from you will smooth things over quickly.
- LEO – Jul 23/Aug 23**
You are anxious to get started on an exciting project, Leo. Others on your team may need a dose of inspiration. It could be up to you to motivate the troops.
- VIRGO – Aug 24/Sept 22**
Virgo, you made a commitment to keep things toned down. Enjoy the slower pace and take note of how the lack of hustle and bustle suits you.
- LIBRA – Sept 23/Oct 23**
Normally you're satisfied to let someone else take the lead and make all of the decisions, Libra. This week you might need to be the one taking a leadership role.
- SCORPIO – Oct 24/Nov 22**
Carefully word your next email or text and read it over several times, Scorpio. There is a fine line between being firm and coming across as domineering. You don't want to offend.
- SAGITTARIUS – Nov 23/Dec 21**
Don't stop now when you are so close to the finish line, Sagittarius. It may be a busy week ahead, but you will reap the rewards of your labors. Remain patient.
- CAPRICORN – Dec 22/Jan 20**
Take inventory of your romantic relationship, Capricorn. You might need to put in a little extra effort if things haven't been as smooth as you would like. Don't give up on this.
- AQUARIUS – Jan 21/Feb 18**
Aquarius, you are working at keeping everyone on the same page. Continue to emphasize the importance of teamwork. Others notice and appreciate your efforts.
- PISCES – Feb 19/Mar 20**
It is not possible to make it all the way through your to-do list this week, so plan on some carryover to the next, Pisces. Space out your work so you don't get too overwhelmed.

Dave Johnson

"The Outdoor Insider"

It seems to be getting more like Fall here in the region, and there are some great opportunities for anglers this time of year. Anglers are busy chasing fall Chinook on the Hanford Reach and are gearing up for a better than average return of Coho to the upper Columbia. Our area lakes are offering special opportunities this fall, too.

I wanted to get to Blue and Park lakes before the end of the month to do some perch fishing. I have had some great reports about very good numbers of them being caught and of perch of over 12 inches included in the catches. Since they were going to close at the end of September, I didn't want to get people excited when there would only be a few days left in the season. Well, I just got word that Park, Blue and Deep lakes seasons have been extended to the end of October, and this change may be permanent. I really like this change and wondered why they closed so early. Nearby Lake Lenore and Dry Falls Lake stay open until the end of November.

I have fished Blue Lake and Park Lake in the past and had a great time catching perch and there are some very nice smallmouth bass in both Blue and Park Lake. When I fished for perch, I was usually at the bottom end of both lakes. I would cruise around slowly, watching my fish finder for a school. When I spotted a good bunch on the screen, I would toss out a marker and then go back to it and put my bow mount electric on Anchor Mode. If the fishing slowed, I would retrieve my marker and repeat the process. I know a lot of people have success experimenting with different jigs and lures. I seem to do okay with just a chunk of nightcrawler.

Fishing for Kokanee on Deep Lake can also be good in the fall. You may have to sort through planted rainbow to get them, and they aren't huge, but they are plentiful. I catch a mix of rainbow and Kokanee with my tried-and-true Kokabow Tackle blades and spinners. So, if you aren't fishing for salmon these lakes offer very good options.

The popular Quincy Valley Chamber of Commerce Pike Minnow Derby is back and is going to be held on October 4th through the 6th this year. If you haven't participated before better sign

up this year. There's over \$35,000 in cash and prizes up for grabs for anglers who turn in their catches of pike minnows at the Crescent Bar Derby Headquarters. Cash prizes will be awarded to those who catch the most fish and the largest and smallest in length caught in both Adult and Youth categories. The grand prize this year is a Polaris Ranger SP 570 side by side! You can register online by logging on QuincyValley.org or at the Crescent Bar Riverbend Park on Friday and Saturday mornings. You can also find tickets at The Quincy Chamber office, Quincy Hardware and Lumber and at Hooked on Toys in Wenatchee. Anglers can turn in catches from the Columbia River from Rock Island Dam to Wanapum Dam. Once again derby participants are treated to

a free lunch at Tower Pizzeria where the awards are handed out. Don't miss the chance to win money and some amazing prizes at the Quincy Chamber Pike Minnow Derby October 4th through the 6th this year. This week's photo shows boats fishing in the channel near the marina at Crescent Bar.

It's that time of year again. The CCA Tri-Cities Chapter is hosting another Angler Broodstock Collection (ABC) event on October 25-26. It's an amazing experience - catching dozens of salmon per boat each day with the added bonus of knowing that the fish you catch are benefitting the future of fisheries for thousands of anglers. This is a great way for recreational anglers to help promote and support hatchery production on the Columbia River. These wild broodstock are essential to meet the Hatchery Genetic Management Plan requirements for an integrat-

ed hatchery so that the hatchery may continue releasing millions of chinook salmon. Thanks to the efforts of CCA, Grant County PUD and WDFW, nearly every one of the 7+ million salmon raised in the hatchery in the past decade have at least one wild parent. The CCA Tri-Cities Chapter has been spearheading the ABC program since 2012. For the past 12 years the project has been operated as a derby called the King of the Reach. I have participated in this event a couple of times over the years, and the Tri-Cities Chapter does a great job.

I wanted to remind folks that I have quite a few videos on fishing the Hanford Reach. There's one on fishing at White Bluffs with Shane Magnuson and a couple of others I did with Shane on fishing other areas of the Hanford Reach. These can be found on the Dave Graybill YouTube channel. There's a good one I did with Shane on How to Cure Salmon Eggs that can be found on the How To TV page on my website. I also wanted to mention that there is some good information on how to catch Coho from Shane in my free Fall E-Letter.

The annual Mahogany & Merlot event is happening this year on October 4th through the 6th this year at Lake Chelan. Each year vintage hydroplanes, and mahogany runabout boats are shown on the water. Bob Feil Boats and Motors is the primary sponsor this year. Vintage unlimited hydroplanes, like the Miss Budweiser, Miss Thriftway and Pay N Pack will stage races each morning, weather permitting. You can buy a Pit Pass to view the boats up close and talk to the crews. Also, Bob Feil Boats and Motors will be on hand with six boats to take you out on the water. Mahogany & Merlot will once again take place along 'Mahogany Row' at Don Morse Park & Marina on beautiful Lake Chelan, where vintage boats will line the docks. In between looking at all the hydroplanes and boats, browse through our Vendor Village presented by The Hydroplane & Raceboat Museum, with vendors offering an array of art, crafts, local produce, gifts, clothing, one-of-a-kind items, vintage goodies and more.

PLEASE SPAY OR NEUTER YOUR PETS!

5 TIPS TO HELP SELL YOUR HOME FAST THIS FALL - Part 2

Spring gets all the attention when it comes to homebuying. However, homes sell year-round. And despite the headlines, millions of existing homes are sold monthly. So, if you need to quickly sell your home this fall so you can enjoy your new home, consider the following tips:

- Manage Halloween Décor**
- Maintain Curb Appeal**
- Light it Up**
- Prepare for Cooler Temperatures**

With colder temperatures outside, buyers will notice immediately if your heating unit isn't working correctly. Not only will a cold or drafty house make your home uncomfortable for buyers, but they may also be wary of purchasing a new heating system. To ensure your unit is running smoothly and provides optimal comfort, schedule a maintenance tune-up with a professional HVAC technician.

- Keep Your Home Clean**

A clean home is an inviting one, so experts recommend a thorough cleaning. In addition to tidying up and putting things away, wash your windows inside and out. Now is the best time to make home repairs you may have been putting off. Before showing your home, consider hanging fresh towels in the bathrooms and kitchen. Set the dining room table and buy fresh flowers for vases throughout the home.

Selling your home in the fall doesn't have to be a headache. With a bit of preparation, you'll soon be settling into your new home. For more information on buying and selling a home, contact the Central Washington Home Builders Association, or any of the Realtors you see advertised in the Exchange! And be sure to watch for part 2 of this article next week for more tips!

CENTRAL WASHINGTON HOME BUILDERS ASSOCIATION

October GARDENING TIPS

Master Gardeners of Spokane County

SEASON EXTENDERS

Plan ahead and plant late season bloomers and color including asters, mums, ornamental grasses, trees/shrubs, & fall blooming bulbs. Change out your planters using fall blooming plants including ornamental cabbage.

LEAVES

Leaves grace the trees all summer, then turn into beautiful colors in the fall. They are also useful for mulch, weed suppression in veggie gardens and pathways, compost and insulation.

BIRD FEEDERS

Migratory and winter resident birds will appreciate it if you repair damaged bird feeders, keep the food fresh and clean, hang suet, and keep water sources open & clean.

TREES

Conifer needles closest to the trunk will drop in the fall. Evergreens provide year long interest and shelter for small animals and birds. Keep watering your trees until the ground freezes. Larches turn yellow and drop needles.

"Going fast is your job... Telling people about it is ours...!"

THE FALL CLASSIC RIDES ONCE AGAIN AT TRI CITY RACEWAY
Six racing classes, 125 cars to run in 2024 finale

West Richland, Wash. — That the 37th annual Fall Classic even reached this stage of life is remarkable in itself, once one considers recent history.

It has survived the closure of the original home at Yakima Speedway and had 33 editions at the historic track. Yakima Speedway was sold and demolished in 2021 to become an industrial site along Interstate-82 in the city.

The final Fall Classic held at Yakima in 2020 came in the throes of COVID-19. The race was brazenly presented by promoter Doug Beterall — with grandstands full of fans — in the face of legal action from the state of Washington.

And when possibly all was uncertain for the race's future, out of decades of dust arose Tri City Raceway in 2021 and the safety net dropped at just the right time.

Closed since 2004, a group led by Greg Walden worked out a deal with the city of West Richland to reopen the track. Walden operates Hermiston Raceway in Oregon and it was Walden's dad, Wayne who operated TCR from the early 1980s for several decades.

The Tri City Raceway track is part of what is known as the Red Mountain Event Center which is envisioned to be a multi-faceted tourism engine for the city — and the Tri City area as a whole.

Now the fourth rendition of the race held on the Tri City half-mile tri-oval some 125 cars in six classes will chase titles at this historic season-ending event for Pacific Northwest racing.

Racing will take place Oct. 4-6 with most eyes on the Northwest Super Late Model Series finale where a 2024 champion will be crowned and the winner earning \$10,000 after 200 laps. Past purses for all classes have surpassed \$100,000 and the event has sold out each year it has been run

since the move.

Besides the NWSLM Super Lates, the race classes include Pro Late Models, Hobby Stocks, Vintage Modifieds, Modifieds and Mini-Stocks.

While not fully certain, Kasey Kleyn from Quincy, Wash. is the odds-on favorite to hang onto the lead he's amassed over a season in which Kleyn has won four series feature races.

Series officials suggest that based on the field size and how Kleyn runs that he essentially has to just start the race.

The 2024 field of super late models includes four former Fall Classic champions, Evan Goetz (2023), Jason Jefferson (2016), BJ Tidrick (2006) and Naima Lang (2011, 2012, 2020). Lang and Cameron Haley (2013, 2014) were the last to successfully defend a Fall Classic championship.

The Fall Classic has a winner's list comprised of the who's who of the region's best late model drivers with Coquitlam, British Columbia's Pete Harding (4), Wenatchee's Garrett Evans (3), Tacoma's Ron Eaton (3) and Lang from Snohomish (3) being notable multi-time winners.

Further information on the 2024 Fall classic can be found by visiting redmountaineventcenter.com.
