### CLARKSTON HIGH SCHOOL CLASS OF 2025

#### Safe & Sober Graduation Party

PO Box 244, Clarkston, WA 99403

Each year parents at Clarkston High School put on a drug and alcohol-free graduation party for the senior class. This year's Parent Committee is busy fundraising and soliciting donations to give the graduates a great send-off on June 7, 2025. The committee relies on the generosity of the community to help make the Safe & Sober Party a success.

There are several ways you can help:

**Donate Gift Certificates, individual items or Gift Baskets**

Please help us make the evening memorable for every student who attends by donating gift certificates and/or actual items (individuals or in a gift basket) that we can give away as game prizes or in a raffle

**Donate Money**

We will use monetary donations to help offset events costs and purchase prizes and raffles items for the Safe & Sober Party. The Class of 2025 has approximately 175 seniors and our goal is to have at least one item per student. In previous years, over 85% of graduation seniors attended this event. Any size cash donation will be a big help.

For questions and donation forms, please contact [CHSbantams2025@gmail.com](mailto:CHSbantams2025@gmail.com) - This is monitored daily and you will receive a prompt response.

To donate, please fill out donations forms which can be requested via email and return it to "Class of 2025 Safe & Sober Grad Party, PO Box 244, Clarkston, WA 99403".

Thank you in advance for your support of this fun tradition for Clarkston High School Seniors!

"The Outdoor Insider"

I had a lot of catching up to do after being out of the country for a week, then getting back just in time for the Thanksgiving holiday. I hear there are some good angling opportunities for a variety of species, and I am eager to get out there and get in on the action.

Whether you want to catch rainbow trout, cutthroat trout, kokanee and even Chinook salmon, you can do it all at Lake Chelan. Every year, in November, the Department of Fish and Wildlife plant a bunch of catchable rainbow in Roses Lake. This year they put 25,000 catchables in the lake and even threw in some jumbos. There is a great boat launch and parking area on Roses and some good spots to fish from shore. The WDFW has created some very nice accesses for those who like to cast their baits from the bank. Anglers are also catching good numbers of cutthroat on Chelan. They can be caught from about any dock, and Mill Bay is a good spot, too. I have had good success casting from the Monument area on the south shore. I have found a good old Rooster Tail spinner to be a good lure to attract strikes from the cutthroat. Most of the cutthroat I have caught have been in the 12 inch class, but there are some bigger ones out there. Trolling is a good way to catch cutthroat, and many anglers will run a shallow rod or two, with a Mag Lips 3.0, while fishing for kokanee on their downriggers. Kokanee are being caught from the lower basin, near Rocky Point and Chelan Shores to above the Yacht Club. The reports I hear say the kokanee are running in two sizes: from 9 to 10 inches and then 11 to 12 inches. Chinook action can be decent this time of year, trolling 60 to 90 feet from across Mill Bay to below the Blue Roofs. Small plug-cut herring are still a good bait to present to cruising salmon. Another Chelan area fishery that is often overlooked this time of year is Antillon Lake for the brown trout. I had a good morning fishing for browns here from a float tube when there was three inches of snow on the ground. I didn't last long in the chilly water, but I was busy catching fish with my flyrod while I was out there.

Whenever I mention that I am going

to do a load of fish in my smoker I have people message me, asking how I do it. Some want to try smoking fish for the first time and others just want to compare what they do with my method. So, as I prepared a load, I took the time to take a series of photos. I show the big crock that I use layer the fish in as I add the Kosher salt, brown sugar and basil. I don't ever measure anything, but in the photos, you can see the amount of salt, sugar and basil that I add to the fish. You can find this series of photos on the Fishing Magician Facebook page. This is basically the same

process and ingredients that I have used for about 40 years. One thing that has changed in recent years is that I use Kosher salt instead of rock salt. I really think it improves the flavor. Also, after I rinse the brine off the fish and lay the fillets in the trays, I set up the smoker and start the heat. This gives the fish time to dry. I use a Bradley smoker that is a very well insulated box, so even on a chilly day, I can finish a full load of sockeye in about three hours. This smoker has an automatic feed feature, so I just need to watch my temperatures. I try to keep the heat at about 160 degrees. If it gets much hotter it can cook the fat right out of the fish and make it too dry.

One of the things that anglers here

in Central Washington State can be thankful for is the tremendous returns of sockeye to the region. This year over 755,000 sockeye passed over Bonneville Dam, and the vast majority of them were headed for our area. This was a new record for sockeye returns to the Columbia River, and another record was set for a fishery much closer to my home here in Leavenworth. At Tumwater Dam on the Wenatchee River over 190,000 sockeye were counted. This beat the previous record by over 73,000 fish and was nearly double the pre-season forecast of 97,000. When I first moved to Leavenworth in the late 90s, we wouldn't get enough fish for a season maybe every four years. In 1999 only 1,172 were counted. The big numbers of sockeye that return to Lake Wenatchee are small compared to the huge numbers that make their way up the Columbia and into Canada. The count at Wells Dam totaled over 490,000 sockeye last year. Mother Nature is largely responsible for these terrific numbers. Good escapement from the spawning beds, good ocean conditions and available feed all combine to make sockeye the biggest return of salmon on the Columbia. I also wanted to mention that there is a tribal hatchery across the border near Penticton, B.C. that can release up to five million sockeye smolts. Several tribes and even

Chelan and Douglas County PUDs have helped make this facility a real contributor to sockeye returns to our region. This week's photo is of sockeye spawning in the White River. Steelhead are still being caught on the Methow River, but not at the rate they were earlier this season. Anglers are taking fish on the main stem Columbia as well. Some are having consistent success this season.

If you drive over the I-90 Bridge in Moses Lake, you will probably see a bunch of anglers fishing from the bridge. The perch and crappie fishing is holding up well this winter. I want to get down there and get a bunch of perch. The last batch I cooked were delicious!

I am a singer/rapper born in Tennessee on December 4, 1984. As a youth, I got into trouble often and was arrested several times. However, I turned my life around with the help of my music career, which started by selling mixtapes out of my car. I'm now a CMT Music Awards winner for Male Video of the Year.

"Going fast is your job...Telling people about it is ours...!"

**EAGLE TRACK 2024 FEVER FOUR CHAMPION ZIG GRUNERT**

Colville's Zig Grunert won going away in the Eagle Track Fever Four class scoring a 216-144 victory over LD Fletcher.

Not surprisingly, Grunert credits some basics, "Good car, good tires and a good engine," as the keys to the title.

Grunert is a seven-time Eagle Track Fever-Four champion and three times has won the "Rick Martin Memorial" in dirt track Modifieds.

Grunert said he got his start in racing in go-karts where he was a three-time Spokane Kart Racing Association Yamaha Lite champion between 1984-95. He's also a multiple winner of the NW Modifieds "Gary Miller 100" race.

Grunert drives a 1973 Ford Pinto with a 2,000-cc engine. His one-person pit crew consists of Robert Grunert.

An apple farmer for 37 years by profession, Grunert works part-time for his sponsor, Paul's Engine and Machine in Oroville, Washington when time allows.

Zig Grunert is the 2024 Eagle Track Fever Four champion.

**EAGLE TRACK 2024 SUPER STOCK CHAMPION MIKE OLMSTED**

Mike Olmsted scored in a relatively close race to the Super Stock championship in 2024 at Republic's Eagle Track Raceway.

From Tonasket, Wash., Olmsted (263) outpointed Scott Kuntz (241) for the title and said that "a lot" went into winning the crown. Son Noah Olmstead was third in the standings.

Olmsted has been racing for 40 years and got started, "Because they don't give (speeding) tickets on the track."

His championship car is a 1978 Camaro powered by a 350 cubic-inch motor and Olmsted's operation races because of "A real good wife, son Noah and lots of good friends."

Olmsted follows in his dad's footsteps in being a mechanic alongside his father and had more time to race due to retirement this past December.

His family has always been involved in racing and he and his wife of 42 years have a special place to celebrate anniversaries — naturally at the race track.

Mike Olmsted is the 2024 Eagle Track Super Stock champion.
